June 2021

Dear Dancers, Parents and Friends of That's Dancing,

As we embark on our 23rd Annual Dance Gala, we often take the time to reflect on the past season. Today, we celebrate everything that we have accomplished and overcome during our most challenging year as business owners. Navigating all the unknowns of a global pandemic and having the responsibility of continuing to enhance the youth in our county with dance education proved to be an enormous task. Walking away was never an option or a choice we ever entertained, and our students and their safety remained our top priority. From moving our entire curriculum to an online platform in the Spring of 2020 to transitioning to hybrid teaching we forged ahead knowing that our efforts were important to the overall well-being of our students. The families and students of That's Dancing have been our rocks and source of motivation throughout the last 15 months. We are incredibly proud and overjoyed to be sharing our dance on stage for both a live audience and for families at home. We have learned a lot and grown immeasurably. For all that we lost, we have gained much more. Things will be different but artists evolve and the art moves forward. How remarkable it has been to be part of the lives of these incredible young people at such a transitional time in history. We will remain forever grateful for the loyalty, dedication and grit that the dancers of the 2020-2021 dance season have given to us.

Additionally and against all the odds, this season we have seen many accomplishments from our faculty and dancers. Faculty members have worked to achieve additional certifications through teacher training programs to ensure our dancers are receiving the best and most current teaching practices and training. Numerous dancers have been accepted to prestigious middle and high school arts programs and summer intensives and even found ways to perform in our community. We are bursting with pride to share that 3 of our graduating seniors have been accepted to the top higher education dance programs in the country alongside our other graduating seniors that will attend the top Universities in the nation. Our dancers are truly incredible in so many ways.

We would like to take the time to thank our faculty. These educators created magic and never skipped a beat when things got hard. Nicole Smith who works full time and leads our Young Dancer Program is an example of dedication and hard work equaling success. She goes above and beyond in every way and works tirelessly for the kids. Jessica Pearl, who is also our social media director is a constant that continues to create art through every platform in positive and inspiring ways. Our part time faculty also work incredibly hard for our students and their talent as artists and educators is immeasurable. Larry Albright, Kameron Bink, Christi Cianciotto, Loren Foster, Katherine Lameyer Beukers, Jillian Medero, and Viky Smith are so loved and appreciated. Kameron is celebrating his 5th season on faculty and Viky Smith is celebrating her 10th season as a faculty member. We are so proud of this team.

Of course, we also want to thank our office manager Linda Marzlak. She is committed to maintaining support to our families and faculty. We appreciate all that she does to keep the office running smoothly.

To our own families who continue to support our endeavors, this incredible That's Dancing family that we have built wouldn't be possible without all of your support and help throughout all these years. Thank you Big Nick, Nicky, Milana, Richard, Mason, Riley and of course our very own mother, Angela Petronella who was there for us on day one of the dream.

And lastly, to the families of That's Dancing, thank you for trusting us with your most prized, beloved treasures. We commend you for valuing the arts as an integral part of your child's development. Thank you to all the dancers for working extremely hard to bring you a fabulous entertaining performance today. We are sure you will be impressed with their journey.

Peace, Love, Dance,
